Don

Are you going to send out a survey via Doodle?

By the Navy pushing the next meeting to September, it will be over 6 months since the last meeting (March 1).

Perhaps we should request participants to come to the next meeting prepared with their calendars so we can schedule the next quarterly meeting prior to the end of the year.

Gary

Don and All,

Lora and I have looked at our calendars and at this late date, we cannot find any days in August to reschedule this meeting. Following are our available dates in September:

11, 15, 25-29 September

Please note, September is the last month of our fiscal year, so if we are going to get this scheduled, we need to do this soonest.

VR,
Richard
